

# ATTENTION RN's & LPN's

Looking for a new career challenge that will lead to a position in Critical Care Nursing?

Apply for a Critical Care Nurse Specialty Orientation  
12 week program starts November 22, 2021

Prerequisite: Rhythms Course taking place week of November 15

Critical Care Nurses treat Manitoba's sickest patients in our Special Care Units (SCU) and Intensive Care Units (ICU). Take a look today to find out more about this specialty orientation that will lead to a position in the Brandon Regional Health Centre Care Unit or the Dauphin Regional Health Centre Special Care Unit.

*Note: A minimum of one year acute care experience in surgery, medicine, or emergency care is required.*

Interested applicants  
can apply directly  
to posted  
ICU/SCU positions in  
Brandon and Dauphin  
by visiting:  
[pmh-mb.ca/careers](http://pmh-mb.ca/careers)

**Application deadline is:  
September 30, 2021**

Participants will receive full-time salary during orientation.
